# Essential **Large** Fragment **Instrument** Set

---

*Simple Sustainable Solutions*

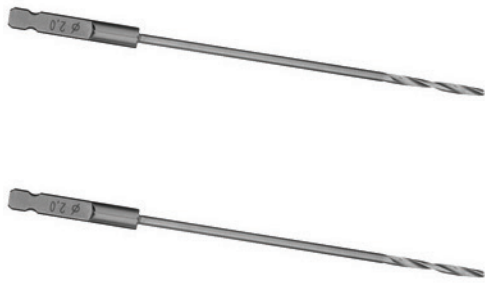

Here at Medical Aid International we understand the limitations of budgets when procuring medical supplies. Our **Essential Large Fragment Instrument Set** is specially constructed to provide a much cheaper alternative to a standard full set and facilitates Large Fragment Plating utilising minimal inventory. We also supply a full range of implants to fully compliment this set. Full sets are also available on request

This set is also supplied in a wire basket. Please note that all instruments are manufactured to strict western quality standards.
